

## REVIEW HELP

This screen displays all of the data that you have input on the application. Prior to submittal to CFC, you can use this screen to review or print your entire application. If additions or updates are required, click on the edit links along the side of the form or use the tabs to access the desired screen. After submittal to CFC, you can use this screen to view your application.

### *Using the Review Screen*

When you have completed application input and reviewed your application, click on the **Submit your application for CFC review** button at the bottom of the screen. If any data is missing in your application, error messages will appear at the top of the screen identifying the missing information. If this occurs, correct the specified errors and then click on the **Submit your application for CFC review** button again. Upon submission of your application, you will be returned to the Main Menu screen. An email will be sent to your email account confirming that your application has been successfully submitted.

Once an application is submitted, the application cannot be updated. You can access this screen in view only mode by selecting the [View](#) link on your Permit Application Status screen. Access to the original input screens is no longer available.
